... to the 2022-23 Southern California Regional ICPC

This will be an **IN-PERSON** event.
RCC will be able to accommodate more than 100 teams.
Registration is open now.
Currently, RCC has no COVID-related health and safety restrictions.
There will be no charge for parking in designated lots/spaces.

DRESS REHEARSAL

All contestants **must** participate in the dress rehearsal. The purposes of the dress rehearsal are many, and include making sure coaches and contestants are familiar with the environment, as well as giving the contest systems administrators a chance to stress-test the environment.

Coaches: Contact the Registrar if your team members will not be assigned to teams until after Feb. 17, or if you have additional potential contestants who will need to participate. Additional "teams" will be assigned as needed to ensure every potential contestant can participate in the Dress Rehearsal.

The Dress Rehearsal will be online.

How Many Teams Can One School Send?

ICPC's goals include accommodating as many schools as possible. The Registrar will begin approving **eligible** teams after February 12. Final approvals will occur after February 17. If there are more schools than RCC can accommodate, teams will be approved in a "round-robin" fashion; that is, 4th teams for everyone, 5th teams, etc. until all spaces are filled. Contact the Registrar should you have any questions.
