Southern California Regional Contest

Bulletin #4

... TEAM APPROVALS START THIS WEEK ... CONTESTANTS: Update and SAVE your PROFILES ... COACHES: Look for Eligibility Confirmation/Issues on the Team Dashboard ...Contact registrar@socalcontest.org with QUESTIONS!

✓✓✓ TEAM APPROVALS PROCESS: The first three eligible teams from an Institution will be approved; the remaining eligible teams will be approved, assuming we have room, approximately one week before the contest. The Registrar will email ANY team that has an eligibility issue to make sure any issues are resolved, so there is no delay in accepting the team if slots remain available. Once your team is APPROVED, please send any changes to the Registrar.

CONTEST ENVIRONMENT

OS: Fedora 37, XFCE 4.16

Language Processors:

GCC/G++ 12.2.1

Java OpenJDK 17.0.6

and Python plug-ins)

IntelliJ 2022.3

PyCharm 2022.3

CLion 2022.3

FEBRUARY

18

ONLINE WARM-UP

INSTRUCTIONS will be sent to registered teams.

COACHES: If you have potential team members who will not be assigned to teams by Feb. 16, contact the Registrar to get additional team logins they can use to participate in the Warm-Up. (It's Okay if extra people participate.)

FOOD INFORMATION SURVEY

https://forms.gle/8uD73QQZKHDqTZMQ8

All team members and all other participants, including guests, are asked to complete a survey regarding their participation, lunch choice, and a few other items. It is a fairly short but important survey! Please complete it as soon as possible. (The Registrar will bug you if you don't, anyway.) Those who do not complete the survey will have a default lunch choice (lettuce-wrap veggie patty) made for them.
