LAST MINUTE REMINDERS

Bulletin #6

- ✓ Required forms
- ✓ Parking
- ✓ Weather
- ✓ Food
- ✓ Permitted Materials

Print, Complete and Bring

- [Site Waiver](#)
- [Photo Release](#)
- [Parking Notice](#)

Everyone must complete both forms and turn them in during on-site registration. Put the parking notice on your dashboard if you have a vehicle.

Be Prepared!

The weather is going to be COLD and WET. Wear appropriate non-skid footwear, and, no running, please! Consider bringing some sort of bag/container for your umbrella or wet jacket – and one to carry your lunch from the truck to the cafeteria. We are setting up extra EZUps to provide a “tunnel” to the snack tent. The cafeteria is open for our use all day

PARK in the Terracina lot (red “P”).

Park only in stalls with WHITE lines – the yellow lines are restricted parking. You will be ticketed if you park anywhere other than between the white lines. Place your parking notice on your dashboard.

Walk to the MLK building (circled in red) to check in

FOOD

NO FOOD OR DRINK IS PERMITTED IN THE LABS!

See the Schedule for the Day in Bulletin #5 for food availability times.

There are no food vendors available on campus.

BREAKFAST: Continental; fruit, rolls, juice, coffee. If you need more substantial fare, please arrange it on your own.

LUNCH: If you did not complete the Survey, you were randomly assigned a lunch. Lunch tickets may not be exchanged. You will be assigned to a group (I or II), so that roughly half of you will eat while the other half has time in the lab; then you will switch.

SNACKS: The snack area will open AFTER the contest starts – not before. The tent will be set up so we can arrange things. Please do not ask for anything before the contest starts.

PIZZA will be available after the contest, starting around 6:30 p.m. All pizza will be generally available; if you asked for no-cheese pizza, it will be set aside and labeled.

PERMITTED MATERIALS

Please review the [Rules](#) for permitted (and prohibited) materials. Arrange to stow your non-permitted material (e.g., cell phones) somewhere during the contest. We will have to collect them from you otherwise. We assume no responsibility for their safekeeping.
