**UNATTENDED REHEARSAL CONTEST

If you were not able to attend the Warm-up / Rehearsal contest on Oct. 14, you can still participate. SoCal will run the rehearsal as an unattended contest through October 26. We strongly recommend that all teams participate. Download the Rehearsal Packet at socalcontest.org.

Team Approvals and Team Fees

Team approvals will start mid-week. There is no official limit to the number of teams a school may send; there is a limit to the number of teams that will fit in the labs. Generally, the Registrar will approve up to three qualified teams from each school. The remaining teams will be approved as space permits, during the last week before the contest.

Teams will be approved if and only if they are eligible, or have an eligibility extension approved by ICPC Headquarters.
Teams will be invoiced for team fees ($140 / team) after the team is approved. If any Institution needs to arrange payment sooner, contact treasurer@socalcontest.org.

COACHES SYMPOSIUM

All coaches and team guests are invited to attend the Coach Symposium, which is held during the Contest. Included in the session are updates from ICPC and the Steering Committee, input from the coaches, and Coach Presentations.

We are looking for presentations for this year's Symposium. If you have a contest-related or education-related topic you would like to present, please contact registrar@socalcontest.org. You may also host a Panel.

If you have items you would like to discuss at the Symposium, please let the Registrar know.
